

JTI certified Top Employer in Bulgaria

Sofia, 20 February 2017, JTI (Japan Tobacco International) has once again been officially certified as Top Employer in Bulgaria, acknowledging the excellent work conditions in the Bulgarian entity of the company.

“At JTI, we invest in our employees with a long-term horizon in mind. We offer opportunities to grow and develop, as well as a work environment that ensures our people can excel”, says Vladislav Mihov, Country Manager of JTI Bugaria. “We are proud that this is again recognized by Top Employer”.

The annual international research undertaken by the Top Employers Institute recognizes leading employers around the world: those that provide excellent employee conditions, nurture and develop talent throughout all levels of the organization, and which strive to continuously optimize employment practices.

“Our detailed research shows that the global company JTI is part of a group of elite employers improving the working conditions of their employees around the world. This is because they take care of their people”, says Dennis Utter, Global Business Director of the Top Employers Institute.

At JTI Bulgaria, the entire management team consists of internally promoted employees. Beyond being named Top Employer in Bulgaria, JTI was once again awarded the Top Employer Certification Europe, Middle East and Asia-Pacific. It was one of only 8 companies to be recognized as a Global Top Employer in 2016.
