JTI Bulgaria wins Best Employer award at Best Employers Study in Bulgaria by AON Hewitt

Sofia, (22 November 2013) JTI Bulgaria, part of the leading international tobacco products company Japan Tobacco International (JTI) won the award for Best Employer in the Best Employers Study in Bulgaria in the annual study conducted by AON Hewitt. The award is in the category Small Companies comprising firms with up to 250 employees.

JTI Bulgaria gets the award in its first participation in the study. Its methodology includes 3 surveys for each participating company – questionnaires for employee engagement, for top management team and for the practices implemented in human resources management.

“JTI is a company that invests in its people all over the world. This is one of the reasons behind our success. We apply that approach in Bulgaria as well and we are very happy with this award. It is also recognition for our employees and the contribution of each one of them. We are operating on a very competitive market and we count on the skills and motivation they demonstrate in their everyday duties”, said Vladislav Mihov, Country Manager JTI Bulgaria.

AON Hewitt is a global company in human resources solutions. It conducts the annual study in Bulgaria for the seventh time. For 7 years more than 450 companies from various economy sectors were analysed. The company has developed a database with feedback from 85 000 employees and 2100 top managers, representing companies employing over 350 000 people in the country.
